

Daruma's Housemade -Pork Dumplings- JAPANESE GYOZA

It has a unique, full flavour as it is housemade while using Japanese method. We use top-grade chicken stock made from simmering a whole chicken which results in a very rich Umami-flavoured stock. It is simple but has noticeable deepness.

達磨 DARUMA RAMEN -OUR STORY-

Through repeated research and the careful choosing of ingredients, we have recreated the authentic Japanese taste of delicious ramen.

There are many different types and flavors of Japanese ramen, and they are all unique.

We are constantly trying to keep it as close to the original as possible while adapting it to the Kiwis of New Zealand, a country with such a diverse mix of cultures.

Noodles, Stock, Sauce, Oil and Toppings.

These are the five important ingredients of our ramen, and we are constantly working to improve them.

We hope you all enjoy our ramen and we hope to see you smiling!
